Leadership Network**

Welcome & Agenda!

- Introductions
- Today's focus
 - Recap of June and July events
 - Where should we go next?

Introductions

Recap of June and July

2018 NATIONAL CONVENTION
NASHVILLE, TN

What do YOU want to address?

Let's talk about how we can just do it.....

Moving on is a process;
moving forward is a choice.
There's a slight difference
between the two. Moving
on is letting things
happen; moving forward
is **making things happen.**
